

CHICAGO NEIGHBORHOOD MAP

West 3: Austin and North Oak Park

(from I290 north to North Ave, from Cicero west to Harlem)

This is from the CHICAGO BIKE MAP—a great map for real estate shopping since it show all the “L” and Metra TRAIN STOPS and neighborhood names (as well, of course, as all the good bike routes). To see the whole map online or to order a print copy go to <http://www.cityofchicago.org/Transportation/bikemap>.

Map Key:

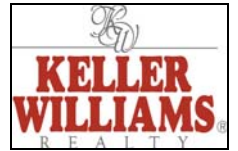

Existing bike lanes

Existing marked shared lanes

Recommended bike routes
(Includes locations of proposed lanes and marked shared lanes)

Existing off-street trails

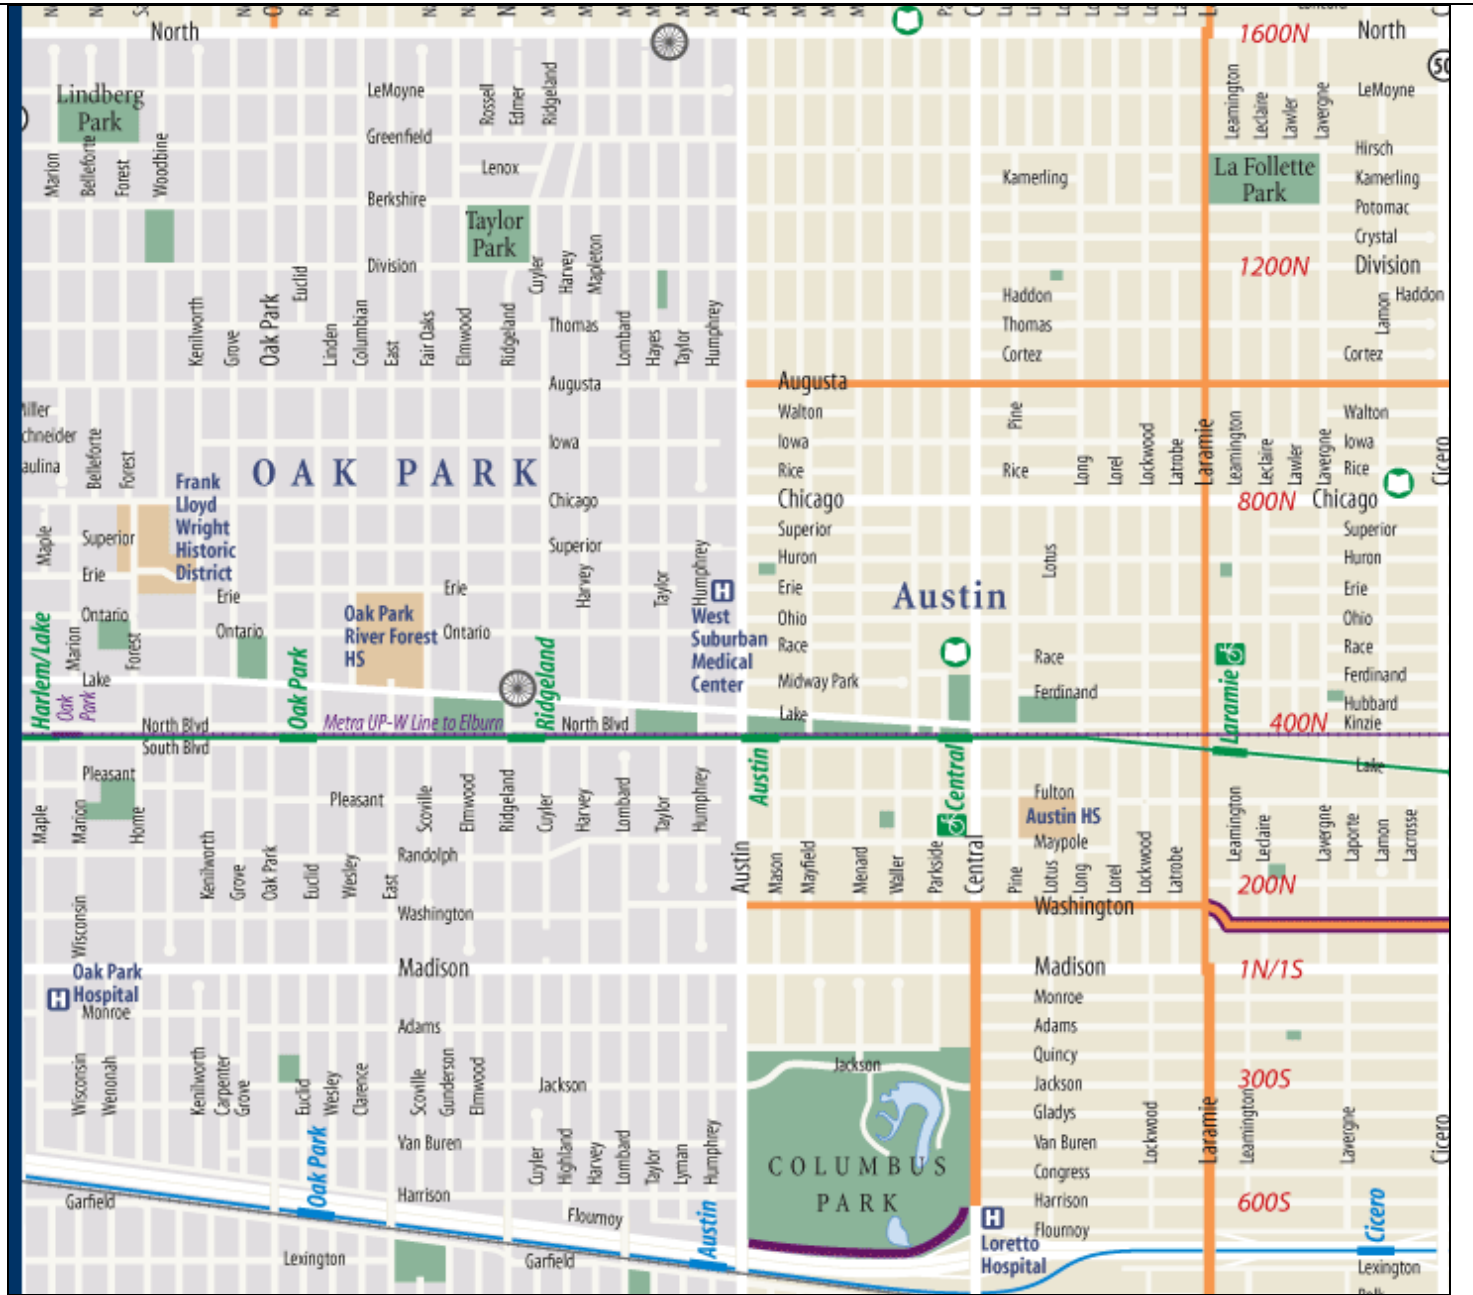

Proposed off-street trails

Bike shop location (Visit www.chicagobikesshops.info)

CTA stations with indoor parking (most transit stations have outdoor bike racks)

Chicago Public Library
